

You are cordially invited to attend
a ZOOM GUEST LECTURE and a WORKSHOP

Online Teaching: How to Engage Students

delivered by Ian MARTIN

EAP Manager, Birmingham International Academy, the University of Birmingham,
United Kingdom.

Both events will focus on technology and how to engage students in learning. Future teachers will begin to think about the COVID-19 context and how they need to address current challenges of technology and its use in education for teaching and learning.

The following objectives will be pursued:

- Distribution of knowledge to future teachers
- Self-development and experience
- Develop teacher's ideas in using technology in the current COVID-19 context
- Highlight the University of Birmingham degree programmes

The Friday workshop (limited sign ups) will be on developing a tool for learning.

DATE: Tuesday 04th May 2021

TIME: 1pm - 2:30pm

VENUE: ZOOM (the Zoom link will be emailed to participants prior to the event)

Registration required (deadline 30th April 2021): please follow this link
